

Academic Report Student Achievement 2025-2026

Student learning and student success are at the core of Kingdom College's Mission and Vision. We focus on designing and improving educational experiences to enhance student learning and support the learning outcomes (SLOs) of our academic programs. Program planning and evaluation are separate but linked processes within the strategic planning cycle, which establishes the structure for assessing the successful graduate. The following chart shows Kingdom College's 2025-2026 student achievement measures, descriptions, and outcomes.
